LOCAL EXCHANGE TELECOMMUNICATIONS TARIFF

APPLICATION OF TARIFF

This tariff sets forth the service offerings, rates, terms and conditions applicable to the furnishing of intrastate local exchange communications services by Teliax, Inc., hereinafter referred to as the Company, to Customers within the state of Michigan. Teliax's services are furnished subject to the availability of facilities and subject to the terms and conditions set forth herein.

This tariff is on file with the Michigan Public Service Commission. In addition, this tariff is available for review at the main office of Teliax, Inc., at 21699 E Quincy Ave, Unit F #285, Aurora, CO 80015.

SERVICE AREA MAP

The Company will provide local exchange service in areas currently served by AT&T Michigan and intrastate toll service throughout the state of Michigan. Local calling areas are as defined in Section 3 of this tariff.

Issued under authority of M.P.S.C. order dated November 8, 2018, in Case No. U-20288.

TARIFF FORMAT

- A. Page Numbering** – Page numbers appear in the upper right corner of the page. Pages are numbered sequentially, however, new pages are occasionally added to the tariff. When a new page is added between pages already in effect, a decimal is added. For example, a new page added between pages 14 and 15 would be 14.1.
- B. Page Revision Numbers** – Revision numbers also appear in the upper right corner of each page. These numbers are used to determine the most current page version on file with the Commission. For example, the 4th Revised Page 14 cancels the 3rd Revised Page 14. Because of various suspension periods, deferrals, etc., the most current page number on file with the Commission is not always the tariff page in effect. Consult the Check Sheet for the page currently in effect.
- C. Paragraph Numbering Sequence** – There are nine levels of paragraph coding. Each level of coding is subservient to its next higher level:
- 2.
 - 2.1.
 - 2.1.1.
 - 2.1.1.A.
 - 2.1.1.A.1.
 - 2.1.1.A.1.(a).
 - 2.1.1.A.1.(a).I.
 - 2.1.1.A.1.(a).I.(i).
 - 2.1.1.A.1.(a).I.(i).(1).
- D. Check Sheets** – When a tariff filing is made with the Commission, an updated Check Sheet accompanies the tariff filing. The Check Sheet lists the pages contained in the tariff, with a cross reference to the current revision number. When new pages are added, the Check Sheet is changed to reflect the revision. All revisions made in a given filing are designated by an asterisk (*). There will be no other symbols used on this page if these are the only changes made to it (i.e., the format, etc. remain the same, just revised revision levels on some pages.) The tariff user should refer to the latest Check Sheet to find out if a particular page is the most current on file with the Commission.

SECTION 2 - RULES AND REGULATIONS**2.1 Undertaking of the Company****2.1.1 Scope**

The Company undertakes to furnish communications service pursuant to the terms of this tariff in connection with one-way and/or two-way information transmission between points within the state of Michigan.

The Company is responsible under this tariff only for the services and facilities provided hereunder, and it assumes no responsibility for any service provided by any other entity that purchases access to the Company network in order to originate or terminate its own services, or to communicate with its own customers.

The Company arranges for installation, operation, and maintenance of the communications services provided in this tariff for Customers in accordance with the terms and conditions set forth under this tariff. The Company may act as the Customer's agent for ordering access connection facilities provided by other carriers or entities, when authorized by the Customer, to allow connection of a Customer's location to the Company network. The Customer shall be responsible for all charges due for such service arrangement.

2.1.2 Shortage of Equipment or Facilities

- A. The Company reserves the right to limit or to allocate the use of existing facilities, or of additional facilities offered by the Company, when necessary because of lack of facilities, or due to some other cause beyond Company control.
- B. The furnishing of service under this tariff is subject to the availability on a continuing basis of all the necessary facilities and is limited to the capacity of the Company facilities as well as facilities the Company may obtain from other carriers to furnish service from time to time as required at the sole discretion of the Company.

Issued under authority of M.P.S.C. order dated November 8, 2018, in Case No. U-20288.

SECTION 2 - RULES AND REGULATIONS, (CONT'D.)

2.1 Undertaking of the Company, (Cont'd.)

2.1.3 Terms and Conditions

- A.** Service is provided on the basis of a minimum period of at least thirty (30) days, 24-hours per day. For the purpose of computing charges in this tariff, a month is considered to have 30 days. When a service is discontinued prior to the expiration of the minimum period, charges are applicable, whether the service is used or not.
- B.** Except as otherwise stated in this tariff, Customers may be required to enter into written service orders which shall contain or reference a specific description of the service ordered, the rates to be charged, the duration of the services, and the terms and conditions in this tariff. Customers will also be required to execute any other documents as may be reasonably requested by the Company to provide service.
- C.** At the expiration of the initial term specified in each Service Order, or in any extension thereof, service shall continue on a month-to-month basis, unless otherwise specified by the written Service Order, at the then current rates unless terminated by either party upon notice. Any termination shall not relieve the Customer of its obligation to pay any charges incurred under the service order and this tariff prior to termination. The rights and obligations which by their nature extend beyond the termination of the term of the service order shall survive such termination.

SECTION 2 - RULES AND REGULATIONS, (CONT'D.)

2.1 Undertaking of the Company, (Cont'd.)

2.1.3 Terms and Conditions, (Cont'd.)

- D.** Service may be terminated by Company upon written notice to the Customer if:
- 1.** the Customer is using the service in violation of this tariff; or
 - 2.** the Customer is using the service in violation of the law; or
 - 3.** the Customer is in violation of written Service Order terms.
- E.** This tariff shall be interpreted and governed by the laws of the state of Michigan.
- F.** Any other telephone company may not interfere with the right of any person or entity to obtain service directly from the Company. No person or entity shall be required to make any payment, incur any penalty, monetary or otherwise, or purchase any services in order to have the right to obtain service directly from the Company.
- G.** To the extent that either the Company or any other telephone company exercises control over available cable pairs, conduit, duct space, raceways, or other facilities needed by the other to reach a person or entity, the party exercising such control shall make them available to the other on terms equivalent to those under which the Company makes similar facilities under its control available to its Customers. At the reasonable request of either party, the Company and the other telephone company shall join the attempt to obtain from the owner of the property access for the other party to serve a person or entity.

1. This service is offered solely as an aid in handling assistance calls in connection with fire, police and other emergencies. The Company is not responsible for any losses, claims, demands, suits or any liability whatsoever, whether suffered, made instituted or asserted by the Customer or by any other party or person for any personal injury or death of any person or persons, and for any loss, damage or destruction of any property, whether owned by the Customer or others, caused or claimed to have been caused by: (1) mistakes, omissions, interruptions, delays, errors or other defects in the provision of service, of (2) installation, operation, failure to operate, maintenance, removal, presence, condition, local or use of any equipment and facilities furnishing this service.
2. Neither is the Company responsible for any infringement, nor invasion of the right of privacy of any person or persons, caused or claimed to have been caused directly or indirectly, by the installation, operation, failure to operate, maintenance, removal, presence, condition, occasion or use of emergency 911 service features and the equipment associated therewith, or by any services furnished by the Company, including, but not limited to the identification of the telephone number, address or name associated with the telephone used by the party or parties accessing emergency 911 service, and which arise out of the negligence or other wrongful act of the Company, the Customer, its users, agencies or municipalities, or the employees or agents of any one of them.
3. When a Customer with a nonpublished telephone number, as defined herein, places a call to the emergency 911 service, the Company will release the name and address of the calling party, where such information can be determined, to the appropriate local governmental authority responsible for emergency 911 service upon request of such governmental authority. By subscribing to service under this rate sheet, the Customer acknowledges and agrees with the release of information as described above.

SECTION 2 - RULES AND REGULATIONS, (CONT'D.)**2.1 Undertaking of the Company, (Cont'd.)****2.1.5 Notification of Service-Affecting Activities**

The Company will provide the Customer reasonable notification of service-affecting activities that may occur in normal operation of its business. Such activities may include, but are not limited to, equipment or facilities additions, removals or rearrangements and routine preventative maintenance. Generally, such activities are not specific to an individual Customer but affect many Customers' services. No specific advance notification period is applicable to all service activities. The Company will work cooperatively with the Customer to determine the reasonable notification requirements. With some emergency or unplanned service-affecting conditions, such as an outage resulting from cable damage, notification to the Customer may not be possible.

- A.** The Company shall use reasonable efforts to make available services to a Customer on or before a particular date, subject to the provisions of and compliance by the Customer with, the regulations contained in this tariff. The Company does not guarantee availability by any such date and shall not be liable for any delays in commencing service to any Customer.
- B.** The Company shall use reasonable efforts to maintain only the facilities and equipment that it furnishes to the Customer. The Customer may not, nor may the Customer permit others to, rearrange, disconnect, remove, attempt to repair, or otherwise interfere with any of the facilities or equipment provisioned by the Company, except upon the written consent of the Company.
- C.** The Company may substitute, change or rearrange any equipment or facility at any time and from time to time, but shall not thereby alter the technical parameters of the service provided the Customer.
- D.** Equipment the Company provides or installs at the Customer Premises for use in connection with the services the Company offers shall not be used for any purpose other than that for which it was provided.
- E.** The Customer shall be responsible for the payment of service charges as set forth herein for visits by Company agents or employees to the Premises of the Customer when the service difficulty or trouble report results from the use of equipment or facilities provided by any party other than the Company, including but not limited to the Customer.

SECTION 2 - RULES AND REGULATIONS, (CONT'D.)**2.1 Undertaking of the Company, (Cont'd.)****2.1.6 Provision of Equipment and Facilities, (Cont'd.)**

F. The Company shall not be responsible for the installation, operation, or maintenance of any Customer-provided communications equipment. Where such equipment is connected to the facilities furnished pursuant to this tariff, the responsibility of the Company shall be limited to the furnishing of facilities offered under this tariff and to the maintenance and operation of such facilities. Subject to this responsibility, the Company shall not be responsible for:

- 1.** the transmission of signals by Customer-provided equipment or for the quality of, or defects in, such transmission; or
- 2.** the reception of signals by Customer-provided equipment.

2.1.7 Non-routine Installation

At the Customer's request, installation and/or maintenance may be performed outside Company regular business hours or in hazardous locations. In such cases, charges based on cost of the actual labor, material, or other costs incurred by or charged to the Company will apply. If installation is started during regular business hours, but, at the Customer's request, extends beyond regular business hours into time periods including, but not limited to, weekends, holidays, and/or night hours, additional charges may apply.

SECTION 2 - RULES AND REGULATIONS, (CONT'D.)**2.1 Undertaking of the Company, (Cont'd.)****2.1.8 Special Construction**

Subject to the agreement of the Company and to all of the regulations contained in this tariff, special construction of facilities may be undertaken on a reasonable efforts basis at the request of the Customer. Special construction is that construction undertaken:

- A. where facilities are not presently available, and there is no other requirement for the facilities so constructed;
- B. of a type other than that which the Company would normally utilize in the furnishing of its services;
- C. over a route other than that which the Company would normally utilize in the furnishing of its services;
- D. in a quantity greater than that which the Company would normally construct;
- E. on an expedited basis;
- F. on a temporary basis until permanent facilities are available;
- G. involving abnormal costs; or
- H. in advance of its normal construction.

2.2 Prohibited Uses

- 2.2.1** The services the Company offers shall not be used for any unlawful purpose or for any use as to which the Customer has not obtained all required governmental approvals, authorizations, licenses, consents and permits.
- 2.2.2** The Company may require applicants for service who intend to use Company offerings for resale and/or for shared use to file a letter with the Company confirming that their use of the Company offerings complies with relevant laws and Commission regulations, policies, orders, and decisions.
- 2.2.3** The Company may block any signals being transmitted over its network by Customers who cause interference to the Company or other users. Customer shall be relieved of all obligations to make payments for charges relating to any blocked Service and shall indemnify the Company for any claim, judgment or liability resulting from such blockage.
- 2.2.4** A Customer, joint user, or authorized user may not assign, or transfer in any manner, the service or any rights associated with the service without the written consent of the Company. The Company will permit a Customer to transfer its existing service to another entity if the existing Customer has paid all charges owed to the Company for regulated communications services. Such a transfer will be treated as a disconnection of existing service and installation of new service, and non-recurring installation charges as stated in this tariff will apply.

SECTION 2 - RULES AND REGULATIONS, (CONT'D.)**2.4 Customer Equipment and Channels****2.4.1 General**

Local Exchange Service includes services and facilities provided for the origination or termination of any telecommunication regardless of the technology used in transmission. This includes, but is not limited to, local exchange, long distance, and data communications services that may use TDM, Internet Protocol ("IP") or other technology. Company services are designed primarily for the transmission of voice-grade telephonic signals, except as otherwise stated in this tariff. A User may transmit any form of signal that is compatible with Company equipment, but the Company does not guarantee that its services will be suitable for purposes other than voice-grade telephonic communication except as specifically stated in this tariff.

2.4.2 Station Equipment

- A.** Terminal equipment on the User's Premises and the electric power consumed by such equipment shall be provided by and maintained at the expense of the User. The User is responsible for the provision of wiring or cable to connect its terminal equipment to the Company Point of Connection.
- B.** The Customer is responsible for ensuring that Customer-provided equipment connected to Company equipment and facilities is compatible with such equipment and facilities. The magnitude and character of the voltages and currents impressed on Company-provided equipment and wiring by the connection, operation, or maintenance of such equipment and wiring shall be such as not to cause damage to the Company-provided equipment and wiring or injury to Company employees or to other persons. Any additional protective equipment required to prevent such damage or injury shall be provided by the Company at the Customer's expense, subject to prior Customer approval of the equipment expense.

SECTION 2 - RULES AND REGULATIONS, (CONT'D.)**2.5 Payment Arrangements, (Cont'd.)****2.5.2 Billing and Collection of Charges**

The Customer is responsible for payment of all charges incurred by the Customer or other Authorized Users for services and facilities furnished to the Customer by the Company.

- A.** Nonrecurring charges are due and payable within thirty (30) days after the invoice date, unless otherwise agreed to in advance.
- B.** The Company shall present invoices for recurring charges monthly to the Customer, in advance of the month in which service is provided, and Recurring Charges shall be due and payable within thirty (30) days after the invoice date unless otherwise agreed to in advance. When billing is based on customer usage, charges will be billed monthly for the preceding billing periods.
- C.** When service does not begin on the first day of the month, or end on the last day of the month, the charge for the fraction of the month in which service was furnished will be calculated on a pro rata basis. For this purpose, every month is considered to have thirty (30) days.
- D.** Billing of the Customer by the Company will begin on the Service Commencement Date, which is the first day following the date on which the Company notifies the Customer that the service or facility is available for use, except that the Service Commencement Date may be postponed by mutual agreement of the parties, or if the service or facility does not conform to standards set forth in this tariff or the Service Order. Billing accrues through and includes the day that the service, circuit, arrangement or component is discontinued.

SECTION 2 - RULES AND REGULATIONS, (CONT'D.)**2.5 Payment Arrangements, (Cont'd.)****2.5.6 Cancellation of Application for Service**

- A.** Applications for service cannot be canceled without Company agreement. Where the Company permits a Customer to cancel an application for service prior to the start of service or prior to any special construction, no charges will be imposed except for those specified below.
- B.** Where, prior to cancellation by the Customer, the Company incurs any expenses in installing the service or in preparing to install the service that it otherwise would not have incurred, a charge equal to the costs incurred by the Company, less net salvage, shall apply, but in no case shall this charge exceed the sum of the charge for the minimum period of services ordered, including installation charges, and all charges others levy against the Company that would have been chargeable to the Customer had service commenced (all discounted to present value at six percent).
- C.** Where the Company incurs any expense in connection with special construction, or where special arrangements of facilities or equipment have begun, before the Company receives a cancellation notice, a charge equal to the costs incurred by the Company, less net salvage, applies. In such cases, the charge will be based on such elements as the cost of the equipment, facilities, and material, the cost of installation, engineering, labor, and supervision, general and administrative expense, other disbursements, depreciation, maintenance, taxes, provision for return on investment, and any other costs associated with the special construction or arrangements.
- D.** Special charges described in 2.5.6.A. through 2.5.6.C. will be calculated and applied on a case-by-case basis.

SECTION 2 - RULES AND REGULATIONS, (CONT'D.)**2.6 Discontinuance of Service**

The Company may discontinue service under this section. Customers will be given five (5) days written notice prior to discontinuance unless otherwise indicated. The five day notice period excludes Sundays and legal holidays. Service will not be disconnected on any Friday, Saturday, Sunday or legal holiday, or at any time when the Company's business offices are not open to the public, except where an emergency exists.

After discontinuing service, the Company may declare all future monthly and other charges which would have been payable by the Customer during the remainder of the term for which such services would have otherwise been provided to the Customer to be immediately due and payable. These remedies are in addition to all other remedies that may be available to the Company at law or in equity or under any other provision of this tariff.

2.6.1 The Company may discontinue service with notice for any of the following:

- A.** For failure to pay a bill for service when due;
- B.** For violation of any of the Company's rules on file with the Commission;
- C.** For failure to provide the Company reasonable access to equipment and property;
- D.** For breach of contract for service between the Customer and the Company;
- E.** For failure to furnish such service, equipment, and/or rights-of-way necessary to serve the Customer as shall have been specified by the Company as a condition of obtaining service; or
- F.** When necessary for the Company to comply with any order or request of any governmental authority having jurisdiction.

SECTION 2 - RULES AND REGULATIONS, (CONT'D.)**2.7 Allowances for Interruptions in Service**

Interruptions in service that are not due to the negligence of, or noncompliance with the provisions of this tariff by, the Customer or the operation or malfunction of the facilities, power or equipment provided by the Customer, will be credited to the Customer as set forth in 2.7.1 for the part of the service that the interruption affects.

2.7.1 General

- A.** A credit allowance will be given when service is interrupted, except as specified below. A service is interrupted when it becomes inoperative to the Customer, e.g., the Customer is unable to transmit or receive, because of a failure of a component furnished by the Company under this rate sheet.
- B.** An interruption period begins when the Customer reports a service, facility or circuit to be inoperative and, if necessary, releases it for testing and repair. An interruption period ends when the service, facility or circuit is operative.
- C.** If the Customer reports a service, facility or circuit to be interrupted but declines to release it for testing and repair or refuses access to its premises for test and repair by the Company, the service, facility or circuit is considered to be impaired but not interrupted. No credit allowances will be made for a service, facility or circuit considered by the Company to be impaired.
- D.** The Customer shall be responsible for the payment of service charges as set forth herein for visits by Company agents or employees to the premises of the Customer when the service difficulty or trouble report results from the use of equipment or facilities provided by any party other than the Company, including but not limited to the Customer.

SECTION 2 - RULES AND REGULATIONS, (CONT'D.)**2.7 Allowances for Interruptions in Service, (Cont'd.)****2.7.2 Limitations of Allowances**

No credit allowance will be made for any interruption in service:

- A.** Due to the negligence of or noncompliance with the provisions of this rate sheet by any person or entity other than the Company, including but not limited to the Customer;
- B.** Due to the failure of power, equipment, systems, connections or services not provided by the Company;
- C.** Due to circumstances or causes beyond the reasonable control of the Company;
- D.** During any period in which the Company is not given full and free access to its facilities and equipment for the purposes of investigating and correcting interruptions;
- E.** A service will not be deemed to be interrupted if a Customer continues to voluntarily make use of the service. If the service is interrupted, the Customer can get a service credit, use another means of communications provided by the Company (pursuant to Section 2.7.3), or utilize another service provider;
- F.** During any period when the Customer has released service to the Company for maintenance purposes or for implementation of a Customer order for a change in service arrangements;
- G.** That occurs or continues due to the Customer's failure to authorize replacement of any element of special construction; and
- H.** That was not reported to the Company within thirty (30) days of the date that service was affected.

SECTION 2 - RULES AND REGULATIONS, (CONT'D.)**2.7 Allowances for Interruptions in Service, (Cont'd.)****2.7.3 Use of Another Means of Communications**

If the Customer elects to use another means of communications during the period of interruption, the Customer must pay the charges for the alternative service used.

2.7.4 Application of Credits for Interruptions in Service

- A.** Credits for interruptions in service that is provided and billed on a flat rate basis for a minimum period of at least one month, beginning on the date that billing becomes effective, shall in no event exceed an amount equivalent to the proportionate charge to the Customer for the period of service during which the event that gave rise to the claim for a credit occurred. A credit allowance is applied on a pro rata basis against the rates specified hereunder and is dependent upon the length of the interruption. Only those facilities on the interrupted portion of the circuit will receive a credit.
- B.** For calculating credit allowances, every month is considered to have thirty (30) days.
- C.** A credit allowance will be given for interruptions of thirty (30) minutes or more. Two or more interruptions of fifteen (15) minutes or more during any one 24-hour period shall be combined into one cumulative interruption.

SECTION 2 - RULES AND REGULATIONS, (CONT'D.)**2.7 Allowances for Interruptions in Service, (Cont'd.)****2.7.4 Application of Credits for Interruptions in Service, (Cont'd.)****D. Interruptions of 24 Hours or Less**

Length of Interruption	Amount of Service to be Credited
Less than 2 hours	None
Over 2 Hours	Credit Formula

Credit Formula:

$$\text{Credit} = A/720 \times B$$

A = outage time in hours (must be 8 or more)

B = total monthly Recurring Charge for affected service.

2.7.5 Cancellation for Service Interruption

Cancellation or termination for service interruption is permitted only if any circuit experiences a single continuous outage of 8 hours or more or cumulative service credits equaling 16 hours in a continuous 12-month period. The right to cancel service under this provision applies only to the single circuit that has been subject to the outage or cumulative service credits.

2.8 Use of Customer's Service by Others

2.8.1 Joint Use Arrangements

Joint use arrangements will be permitted for all services provided under this tariff. From each joint use arrangement, one member will be designated as the Customer responsible for the manner in which the joint use of the service will be allocated. The Company will accept orders to start, rearrange, relocate, or discontinue service only from the designated Customer. Without affecting the Customer's ultimate responsibility for payment of all charges for the service, each joint user shall be responsible for the payment of the charges billed to it.

SECTION 2 - RULES AND REGULATIONS, (CONT'D.)**2.9 Cancellation of Service/Termination Liability**

If a Customer cancels a Service Order or terminates services before the completion of the term for any reason whatsoever other than a service interruption (as defined in Section 2.7.1 above), the Customer agrees to pay to the Company termination liability charges, as defined below unless otherwise stated in written Service Order. These charges shall become due as of the effective date of the cancellation or termination and be payable within the period, set forth in Section 2.5.2.

2.9.1 Termination Liability

The Customer's termination liability for cancellation of service shall be equal to:

- A.** all unpaid Non-Recurring charges reasonably expended by the Company to establish service to the Customer; plus
- B.** any disconnection, early cancellation or termination charges reasonably incurred and paid to third parties by the Company on behalf of the Customer; plus
- C.** all Recurring Charges specified in the applicable Service Order Tariff for the balance of the then current term.

2.12 Notices and Communications

2.12.1 The Customer shall designate on the Service Order the address to which the Company shall mail or deliver all notices and other communications, except that the Customer may also designate a separate address to which Company bills for service shall be mailed.

2.12.2 The Company shall designate on the Service Order an address to which the Customer shall mail or deliver all notices and other communications, except that Company may designate a separate address on each bill for service to which the Customer shall mail payment on that bill.

2.12.3 Except as otherwise stated in this tariff, all notices or other communications required to be given pursuant to this tariff will be in writing. Notices and other communications of either party, and all bills mailed by the Company, shall be presumed to have been delivered to the other party on the third business day following placement of the notice, communication or bill with the U.S. Mail or a private delivery service, prepaid and properly addressed, or when actually received or refused by the addressee, whichever occurs first.

2.12.4 The Company or the Customer shall advise the other party of any changes to the addresses designated for notices, other communications or billing, by following the procedures for giving notice set forth herein.

2.13 Taxes, Fees and Surcharges

The Customer is responsible for payment of any sales, use, gross receipts, excise, access or other local, state and federal taxes, charges or surcharges (however designated) (excluding taxes on Company's net income) imposed on or based upon the provision, sale or use of the Company's services.

SECTION 2 - RULES AND REGULATIONS, (CONT'D.)**2.14 Miscellaneous Provisions****2.14.1 Telephone Number Changes**

Whenever any Customer's telephone number is changed after a directory is published, the Company shall intercept all calls to the former number for at least one hundred and twenty (120) days and give the calling party the new number provided existing central office equipment will permit, and the Customer so desires.

When service in an existing location is continued for a new Customer, the existing telephone number may be retained by the new Customer only if the former Customer consents in writing, and if all charges against the account are paid or assumed by the new Customer.

2.14.2 Maintenance and Operations Records

Records of various tests and inspections, to include non-routine corrective maintenance actions or monthly traffic analysis summaries for network administration, necessary for the purposes of the Company or to fulfill the requirements of Commission rules shall be kept on file in the office of the Company as required under Commission rules.

2.15 Telecommunications Relay Service

Telecommunications Relay Service enables persons who are certified as deaf, deafblind, hard of hearing, or speech-impaired to communicate with individuals using a voice telephone by using a text telephone-telecommunications device. The Company does not impose any charge to end users for access to Telecommunications Relay Service. However, persons using this Service are liable for applicable per call/increment charges. Rates and charges for calls placed through a telecommunication relay service shall not exceed the rates and charges for calls placed directly from the same originating location to the same terminating location.

SECTION 5 - LOCAL EXCHANGE SERVICE**5.1 Integrated Services Digital Network (ISDN)****5.1.1 Description of Service**

- A. Integrated Services Digital Network (ISDN) is a digital standard that provides an integrated voice or data capability to the customer premises facility, utilizing the public switched telephone network. ISDN delivers voice, data and video by two standard methods of access. Primary Rate Interface (PRI) Service and Basic Rate Interface Service (BRS). The Company will only provide Primary Rate Interface service.
- B. PRI service has a capacity of 1.544 megabits per second (Mbps) and has multiple channels: 23 B-channels, and one D-Channel, and is also known as 23 B+D access. The 64-Kbps B-channels carry user information such as voice calls, circuit-switched data or video while the D-channel carries the call-control signaling information. The B-channels may be provisioned on the same facility as the D-channel or on other PRI T1 facilities. Each B-channel is dedicated to inward, outward or 2-way traffic. The customer may use CPE to bond together 64 Kbps B-channels for the transmission of circuit-switched data or video.
- C. Directory Numbers: Primary Directory Number - A single telephone directory number is provided with each PRI service ordered.
- D. Directory Listings: One primary directory listing is provided per PRI service per customer.
- E. Emergency 911 services will be provided for all voice calls on PRI service.

5.1.2 Protection of the Network

- A. In the event customer equipment meets required specifications, but causes interference with current or future services, the Company reserves the right to notify the customer and modify the service to eliminate the interference or disconnect the service. In such case, termination charges do not apply.

SECTION 5 - LOCAL EXCHANGE SERVICE, (CONT'D.)**5.1 Integrated Services Digital Network (ISDN), (Cont'd.)****5.1.2 Protection of the Network, (Cont'd.)**

- B.** Upon notification by the Company that unauthorized transmissions are due to customer equipment or facilities, the customer or customer's authorized agent will correct the situation on an expeditious basis or service will be disconnected by the Company to protect the network. THE COMPANY DISCLAIMS LIABILITY FOR LOSSES WHICH MIGHT BE INCURRED AS A RESULT OF DISCONNECTING THE SERVICE AND DISCLAIMS ANY AND ALL IMPLIED WARRANTIES, INCLUDING, WITHOUT LIMITATION, WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE. With respect to such equipment or service, the Company shall not be liable for any incidental or consequential damages, including, but not limited to any loss, or damage, arising out of customer's use of or inability to use the service or equipment, whether said use is in combination with other services or equipment, or separate from them.
- C.** The Company maintains the right and option to check the output of any equipment used in the transmission of signals to or from the Customer premises for this service. This includes the Company provided facilities or other facilities used in conjunction with provision of PRI service such as CPE.
- D.** The Company anticipates the use of other technologies to provide this service as they are developed. As other technologies are introduced, the interface specifications will be disclosed as required.

SECTION 5 - LOCAL EXCHANGE SERVICE, (CONT'D.)**5.1 Integrated Services Digital Network (ISDN), (Cont'd.)****5.1.3 Availability, Installation and Maintenance**

- A.** The availability and functionality of PRI service capabilities may vary, or may not be available, dependent upon the type of central office switching system, related software controlling that switch, hardware and outside plant.
- B.** The Company will furnish all installation and maintenance labor required to install, maintain and test the service from the Demarcation Point on the customer's property to the central office. The customer or property owner will be responsible for installation, maintenance, and testing of all wire and cable facilities and CPE on the customer side of the Demarcation Point. At the customer's option, the Company will provide installation, maintenance and testing as part of their non-regulated business.
- C.** If there are any changes in inside wiring which require the Company to redesign the PRI service capability, the customer shall reimburse the Company for all cost incurred by the Company in making such a change. Should PRI service capability fail due to inside wiring not owned by the Company, or CPE, or power failure, the responsibility for failure shall be solely that of the customer and the Company shall not be liable.
- D.** If PRI service should experience interruption, disconnection, error, performance failure, or some other out-of-service condition and last for more than 8 consecutive hours after the customer gives the Company notice of such out-of-service condition, except for problems caused by the customer's action, inside wiring, interface, customer premise power outage, and/or CPE, an out-of-service credit will be applied to the customer's bill. See Rules and Regulations, Interruptions to Service.

SECTION 5 - LOCAL EXCHANGE SERVICE, (CONT'D.)**5.1 Integrated Services Digital Network (ISDN), (Cont'd.)****5.1.4 Circuit Switching Feature Descriptions**

Circuit Switched Services is an arrangement which provides the ability to originate and receive circuit-switched voice and/or data calls over 64 Kbps B channels. The customer may choose among the following Circuit-Switched features based upon application needs:

- A. Clear Channel Capability – A characteristic of the transmission path on the B channels that allow the full bandwidth of 64 Kbps to be available to the customer. Through the CPE, it is also possible to bond multiple B channels together to achieve greater bandwidth speeds.

5.1.5 Service Arrangements**A. Voice/Data PRI (with DID)**

A Voice/Data PRI with Direct Inward Dialing (DID) have 3 elements: the T-1, the Service Configuration, and a 2-way trunk/DID. This service configuration provides 23 B-channels and 1 D-channel. The B-channels carry user information such as voice calls, circuit-switched data or video. The D-channel handles signaling information.

B. Data PRI 23B+D

This service configuration provides for 23 B-channels and 1 D-channel. The B-channels carry user information such as voice calls, circuit-switched data, or video while the D channel handles signaling information.

C. Data PRI 24B

This service configuration provides for 24 channels. The B-channels carry user information such as voice calls, circuit-switched data, or video. The signaling information is provided by a D-Channel on the first T1 facility.

SECTION 5 - LOCAL EXCHANGE SERVICE, (CONT'D.)**5.1 Integrated Services Digital Network (ISDN), (Cont'd.)****5.1.6 Direct Inward Dialing (DID)**

- A.** The Company will assign line numbers for direct inward dialing in blocks of numbers. When additional numbers are required, they will be made available as soon as the Company has equipment/numbers available for this purpose. The Company does not guarantee that line numbers will be made available in all cases.
- B.** DID is an optional feature which can be purchased in conjunction with the Company's PRI Service. DID service transmits the dialed digits for all incoming calls allowing the Customer's equipment to route the incoming calls directly to individual stations corresponding to each individual number.

5.1.7 Rates and Charges

SECTION 7 - CONTRACT SERVICES**7.1 Individual Case Basis (ICB) Arrangements**

Arrangements will be developed on a case-by-case basis in response to a bona fide special request from a Customer or prospective Customer to develop a competitive bid for a service not generally offered under this tariff. Rates quoted in response to such competitive requests may be different than those specified for such services in this tariff. ICB rates will be offered to the Customer in writing and on a nondiscriminatory basis.

7.2 Special Service Arrangements

7.2.1 If a Customer's requirements cannot be met by services included in this tariff, or pricing for a service is shown in this tariff as "ICB", the Company will provide, where practical, special service arrangements at charges to be determined on an Individual Case Basis. These special service arrangements will be provided if the provision of such arrangements is not detrimental to any other services furnished under the Company's tariffs.

7.2.2 Special service arrangement rates are subject to revision depending on changing costs or operating conditions.

7.2.3 If and when a special service arrangement becomes a generically tariffed offering, the tariffed rate or rates will apply from the date of tariff approval.

SECTION 9 - PROMOTIONS**9.1 Demonstration of Service**

From time to time the Company may demonstrate service for potential Customers by providing free use of its network on a limited basis for a period of time, not to exceed one (1) month. Demonstration of service and the type, duration or quantity of service provided will be at the Company's discretion.

9.2 Special Promotions

From time to time, the Carrier may provide promotional offerings to introduce a current or potential Subscriber to a service not being used by the subscriber. These offerings may be limited to certain dates, times or locations and may waive or reduce recurring or non-recurring charges. The Company will notify the Commission prior to the effective date of any promotional offering.
